Nursing Administration and Leadership

Information and Technology in Healthcare

Education Technology: Simulation

**AIMS**

جامعة فيلادلفيا  
Philadelphia University

**Convey current knowledge regarding quality of health care and its relationship to global health.**

**Raise professional and public awareness of the nursing profession and its contribution to enhancing the quality of health care.**

**Enhance global networking and collaborative activities among nursing experts.**

## WHAT ARE THE BENEFITS OF PARTICIPATING IN THE CONFERENCE

Communicate with scholars who share my interest.

The dissemination of the preliminary research findings.

Enhance my research capabilities through active engagement in the conference workshops.

Facilitate the publication of my research paper in a journal with a high ranking.
